## Secret Google Tricks

These days, you can get almost all the information you want just by \*searching on Google. However, did you know that Google also has some cool secrets? Let's check them out.

First, if you type "Do a barrel roll" into the search bar and \*press enter, the page will spin around!

Second, try searching for "Google Gravity." Click the top link. The whole page will break into pieces! The best part is that you can still search for things even with the page broken.

Finally, type "Zerg Rush" in the search bar and press enter. Many O's will show up at the top of the page! Be careful. They are not your friends. The O's will \*erase information on the page. If you click the O's, they'll go away, like a game. Check it out!

These are a few of the cool things you can do with Google. There are many more, so if you have a chance, try to find them!
